

ACE is part of the Accuro-Korle range of radiators, brought to you by ASAL UK Limited.

Resembling an 'A' framed ladder, the innovative ACE radiator measures 59cms in height by 210cms in width, and has a depth of just 3cms,; making it perfect as a design statement where a long expanse of wall is available.

ACE

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
