

CADENCE is part of the Accuro-Korle range of radiators, brought to you by ASAL UK Limited.

CADENCE

If you're short on space, but need a high heat output the Cadence is perfect for you. Elegant and simple the Cadence looks particularly good in bedrooms, living rooms and halls.

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
