

Stairway to heaven. A smart new look for the classic ladder radiator. Captiva is a triumph of simplicity that will provide a high level of comfort in any space.

Suitable for Hot water systems, Electric operation, or Dual Fuel Operation (if used with optional electric element)

CAPTIVA

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
