

CASCADE is part of the Accuro-Korle range of radiators, brought to you by ASAL UK Limited.

Large enough to be noticed yet subtle enough not to 'crowd' a smaller room, Cascade is elegance embodied in a radiator! Perfect for stairwells, conservatories and loft spaces it can be hung both vertically and horizontally.

CASCADE

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
