

In the heat of the moment. A subtle combination of satin and polished stainless steel give this ladder rail a sophisticated edge. A dual fuel option will keep towels toasty all year round.

CENTURION

Suitable for Electric operation, Hot water systems or Dual Fuel Operation (if used with optional electric element)

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
