

DUNE is part of the Accuro-Korle range of radiators, brought to you by ASAL UK Limited.

Simple. Understated. Stylish. Dune provides the class and quality desired from a stainless steel radiator without being intrusive. Dune brings with it the practicality of all Accuro-Korle radiators, with a highly efficient heat output.

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
