

ESCAPE is part of the Accuro-Korle range of radiators, brought to you by ASAL UK Limited.

Today's increasing demand for towel rails is met in a most stylish way with our smart Escape model, featuring the unique telescopic wall fixture system. Adding interest to the unobtrusive design of the Escape, our deluxe version incorporates decorative nickel plated rings and ornamental wall suspension points.

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.

ESCAPE
