

FORT is part of the Accuro-Korle range of radiators, brought to you by ASAL UK Limited.

FORT

Standing an impressive 205cms in height, the Fort stainless steel radiator features a columnar design with a depth of 23cms. Made to give maximum heat output, and designed for prominent placement, the Fort is the ideal radiator for both modern domestic and commercial interiors.

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
