

MARINER is part of the Accuro-Korle range of radiators, brought to you by ASAL UK Limited.

A range in itself, Mariner comes in four gorgeous designs; Mariner Q2, Mariner 30, Mariner 40, and even the Mariner Bath towel warmer. With this many options, there is something to suit all styles.

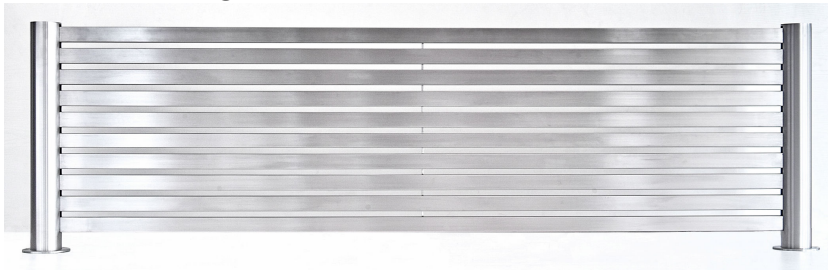

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
