

Designed for the 21<sup>st</sup> century. Long, low and luxurious, Millennium sits perfectly under windows and lets you enjoy the view. The optional stunning glass top with LED lights creates an amazing after dark transformation

MILLENNIUM

Suitable for Hot water systems only.

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.

Model shown with optional Glass top kit & LED Light kit
