

PRELUDE is part of the Accuro-Korle range of radiators, brought to you by ASAL UK Limited.

With its distinctive 'ladder' design, Prelude is available in both wall mounted and floor-standing models. Extremely cost effective, Prelude is equally at home as the stylish centre-piece of a living room, or in the bathroom as a functional, design-led towel rail.

PRELUDE

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
