

A tower of strength. The sheer brilliance of this design is its simplicity. An architect's idea of heaven – Quattro looks perfect in lofty spaces and is powerful enough to heat them too.

QUATTRO

Suitable for Hot water systems, Electric operation, or Dual Fuel Operation (if used with optional electric element)

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
