

Small is beautiful. When space is tight you don't have to sacrifice style. Xeno comes to the rescue with this compact and innovative towel warmer.

XENO

Suitable for Hot water systems, Electric operation, or Dual Fuel Operation (if used with optional electric element)

Finished in beautiful stainless steel; a material which retains heat more efficiently than chrome or cast iron. This revolutionary material also means that rust, both inside and outside the radiator is a thing of the past! This radiator also comes with an amazing 20 year manufacturer's guarantee against faulty design, material or workmanship.
